

HOW TO WEAR A CLOTH MASK

Wear a mask when leaving home.

WASH NEW MASKS WITH SOAP & HOT WATER BEFORE USING.

Handle with clean hands that have been washed with soap and water.

Put on the mask with by holding the straps without touching the inside.

Make sure your nose and mouth are covered well.

Do not touch the mask or your eyes while wearing it.

When removing the mask, hold the straps. Do not touch the front of the mask.

Wash the mask or keep it in direct sunlight immediately after use.

Wash your hands with soap and water after handling your mask.

KEEP YOURSELF & OTHERS SAFE

Social distancing is the most effective way to keep you and others safe.

Wear a mask if you must leave your home or if you are seeking medical care.

Wash your hands often and do not touch your eyes, nose or mouth.
